

WORKSHEET OUTPOST | Kindergarten Math

Ones and tens through fifty

OW-K-075 | Five questions

Success criteria
I can count in order and tell which number comes next.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Count by ones: 29, ___, ___, ___.

2. Count by tens: 10, ___, ___, ___, 50.

3. Count by ones: 47, ___, ___, ___.

4. Count by tens: 20, ___, ___, ___.

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
