

WORKSHEET OUTPOST | Kindergarten Math

Which container holds more?

OW-K-118 | Five questions

Success criteria

I can match or count the objects to show which group has more, fewer, or the same number.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Cup A holds 2 scoops. Cup B holds 5 scoops. All scoops are the same size. Which holds more?

2. Cup A holds 6 scoops. Cup B holds 3 scoops. All scoops are the same size. Which holds more?

3. Cup A holds 4 scoops. Cup B holds 7 scoops. All scoops are the same size. Which holds more?

4. Cup A holds 5 scoops. Cup B holds 2 scoops. All scoops are the same size. Which holds more?

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
