

WORKSHEET OUTPOST | Kindergarten Math

Extra practice: take away pictures

OW-K-159 | Five questions

Success criteria

I can show what happens when I put groups together or take some away.

Name: _____ Date: _____

Read each problem or listen as someone reads it. Show your thinking with objects, pictures, words, or numbers.

1. Some dots are crossed out. How many are left?

○ ○ ⊗

2. Some dots are crossed out. How many are left?

○ ○ ⊗ ⊗

3. Some dots are crossed out. How many are left?

○ ○ ⊗ ⊗ ⊗

4. Some dots are crossed out. How many are left?

○ ○ ○ ○ ⊗ ⊗

5. Write a problem like question 1 with new numbers or objects. Solve it and show your work.

You can point, speak, draw, or write. Adults can note any help they give.
